## BIG 'WARM' BLIZZARD HURRYING EASTWARD

Huge Snowdrifts Are Left In Wake of Real Bit of Genuine Winter.

WARMER WEATHER COMING

Middle West And Southwest Hard Hit By Eastern Snowstorms.

(By Associated Press)

Chicago, April 5.—The Middle and Southwest, heartened by weather bureau predictions of a return to balmy spring weather, today set about digging themselves out of record breaking Easter snowfalls.

The "warm blizzard," as official forecasters called it, developed in the Texas Panhandle and yesterday swept rapidly through the Central West today, continuing steadily eastward, the snowfall reaching from several inches to two feet.

In the Southwest, cattle were reported to have suffered. There were few official reports of crop damage anywhere.

By noon yesterday the snow, driven into great drifts by gales that averaged 30 to 45 miles an hour, buried railroads and highways, and today railroad lines were running trains behind schedules and wire communication was crippled in many sections.

Melting of the snow under the warming sun threatened floods in some streams, it was reported.

## TOLEDO WADES THROUGH SNOW NO CAR SERVICE

Jitney Operators Take to Cover As Result Of Snow Fall

Carmen And Council Will Hold Sessions

(By Associated Press)

Toledo, O., April 5.—Chief occupation of Toledoans this morning, as they arose to gaze upon snow-filled streets, was guessing the next move in the street car controversy, which has deprived them of transportation.

Another difficult question was "how to get to work." The Sunday snowfall drove the bus drivers to cover, and today most of them had not shown up.

As a result, most people today were forced to walk to work. The car men will hold a meeting this afternoon and city council will meet tonight.

## DUBLIN QUIET NO UPRISING

(By Associated Press.)

Dublin, April 5.—The fourth anniversary of the rebellion of 1916 passed quietly in Dublin today. Reports of the burning of police barracks and other outrages Saturday and Sunday continued to pour in from many parts of the country but the general opinion here is that there will be no armed uprising.

Military Measures Destined To Force Huns To Withdraw From Ruhr District in Hands Of Marshal Foch.

BERLIN IS EXPECTED TO RECALL HER TROOPS

Great Britain Will Follow Action Of France to Extent Deemed Necessary in Crisis.

Frankfort, Hamburg, Hanau, Darmstadt and Other Cities May Be Occupied.

(By Associated Press)

Paris, April 5.—Military measures destined to force the German government to withdraw its troops from the Ruhr region are now entirely in the hands of Marshal Foch, it was said at the Foreign Office.

It is advanced in well informed quarters that occupation of Frankfort, Darmstadt, Hamburg and Hanau is unlikely to exercise sufficient pressure on the Germans, since they may well argue that this occupation is distasteful to the French as well as themselves and cannot continue indefinitely.

On the other hand, the extent of the operation comes up as a vital question, and it is proposed to have the occupied German cities bear the expense.

Weisbaden advices saying the French troops are under alert orders are explained as not necessarily meaning an immediate advance, but complete readiness to move forward unless Berlin promptly recalls the troops which have entered the Ruhr district against French protests.

No censorship has been established. Communication, however, from the army probably will be surrounded with the usual precautions, although the operation is not considered on a basis of war.

The British Government will decline to co-operate within the occupation of Frankfort and other German cities, the newspapers say, but they say the British will favorably follow the action of France, realizing the importance of the situation.

In the southern part of the Ruhr district, the German government troops have advanced without resistance, but in the central portion encountered serious opposition, and near Busiburg 200 persons have been killed.

## TROOPS MOVING INTO GERMANY

(By Associated Press.)

Paris, April 5.—The utmost secrecy is being maintained in official circles concerning the nature of military precautions in the Rhine occupation zone, but it was reported throughout Paris today that the French army was already moving from Mayence and Wiesbaden on Frankfort and other German cities.

## CLAIMS 40,000

(By Associated Press)

Paris, April 5.—The latest information

## NEW GERMAN CABINET NOT REGARDED AS ULTRA-RADICAL

The new German cabinet formed by Hermann Mueller is not regarded as ultra-radical, and if it is permitted to remain in office it will appear that the German upheaval has been far from revolutionary.

The men shown above, who are prominent members of the new cabinet, are not Bolsheviks. Mueller is the new premier; ex-Premier Bauer holds a place in the new cabinet as minister of eco-

nomics; Herr Gessler succeeds Noske as minister of defense; Eduard David is minister without portfolio; Capt. Fisher Cuno is minister of finance; and Dr. Johannes Bell, who with Mueller signed the peace treaty for Germany, is minister of transport.

## ILLEGAL STRIKE OF SWITCHMEN TIES UP BUSINESS AT CHICAGO

tion reaching the Foreign Office confirms its belief that despite the assurance given by the Germans that only a very limited number of troops had been sent to the Ruhr district in reality the army amounts to more than 40,000 men.

## U. S. OFFERS NO OBJECTION

(By Associated Press)

Washington, April 5.—State Department officials said today they have received no notice from France of its intention to have its troops on the Rhine occupy cities on the east bank of that river as a reprisal for the advance of German forces into the Ruhr valley, neutral zone.

The United States notified the allied governments more than a week ago it would offer no objection to movement of German troops into that valley provided they were withdrawn as soon as normal conditions had been restored.

## 180 KILLED IN JERUSALEM

(By Associated Press)

Jerusalem, April 5.—One hundred and eighty-eight casualties occurred as a result of a conflict here on Easter Sunday. The military are in control of the situation. The casualties were mostly slight.

50,000 Packing Employees To Be Forced Out of Work If Strike Continues.

Union Men Imported by Brotherhood to Break Strike Of Own Union.

Small Shipments of Live Stock Reach Pens.

(By Associated Press)

Chicago, April 5.—Fifty thousand stockyard employees will be thrown out of work as result of the switchmen's strike in the Chicago railroad yards, the packers announced this afternoon.

Five thousand were laid off today and others will follow as soon as the small receipts of animals on hand are taken care of. Only about 3,000 cattle, approximately 4,000 hogs and 500 sheep reached the yards today as compared to receipts of 40,000 hogs one year ago.

An embargo on all express shipments was placed today by the American Railway Express Company. Vice President Whitney of the Brotherhood of Railway Trainmen, who has branded the strike as "illegal" and in violation of the men's agreement with the road, has taken personal charge to break the walkout. Brotherhood men from other cities began arriving here today in response to Whitney's appeal for union "strike breakers" and union officials hope to

have enough men by night to keep essential business moving. The milk supply is seriously threatened.

One hundred city policemen are on duty in railroad yards while all patrolmen are held in reserve. In event of serious rioting it probably will be necessary to call upon state troops.

## WANT RECRUITS FOR THE O.N.G.

(By Associated Press)

Columbus, O., April 5.—A state-wide recruiting campaign for reorganization of the Thirty-seventh Division as a complete division of the O. N. G. was started today.

Announcement was expected to be made today or tomorrow of the appointment of Brigadier General Stansbury, of Cincinnati, as commander, and Colonel Ben Hough, of Delaware, and Lieutenant Colonel George Wood, of Dayton, as Brigade Commanders.

National Guard officers said they hoped to enlist 15,000 men in the guard.

## FLAT-BOAT SINKS TEN DROWNED

(By Associated Press)

Anderson, S. C., April 5.—Ten persons were drowned near Lowndenville by the capsizing of a flatboat used as a ferry on the Savannah river.

## OHIO WOMEN CANNOT VOTE

(By Associated Press)

Columbus, O., April 5.—Indications today were that women will not be permitted to vote in Ohio at the presidential primary, April 27th.

Petitions for a referendum on the Reynolds act authorizing women to vote in presidential preference primaries will be filed before midnight April 13th, thus suspending operation of the law.

## PLACE EMBARGO ON FREIGHT

(By Associated Press)

Cleveland, O., April 5.—The New York Central Railroad today issued an embargo on all west bound freight except fuel supply and newspaper print on points from its line and connection when routed for delivery to connections at Chicago and on all west bound freight for connections in the Chicago districts. Other railroads will follow suit.

## JEANNE DEKAY'S BODY IS FOUND

(By Associated Press)

Chicago, April 5.—A body believed to be that of Jeanne Dekay, who has been missing for many months and for whom a nation-wide search was instituted, was washed ashore today.

Officials of Hull House where she lived said the clothing and body answered the missing girl's description.

## DRIVING REDS BEFORE THEM

(By Associated Press)

Dusseldorf, Germany, April 5.—The government troops occupied Mulheim today, the reds retreating to Essen, and the south, and the government troops are marching on Essen.

## SOCIALISTS CLAIM PERJURY

(By Associated Press)

New York, April 5.—Charges of perjured testimony and a doctored record in the trial of the five socialists expelled last week from the New York Assembly were contained in a formal statement issued today by the National Executive Committee.

## CLERMONT HAS SMALL TWISTER

(By Associated Press)

Bethel, O., April 5.—A heavy windstorm caused great damage throughout Clermont county yesterday and Mrs. Ellen Hockman was seriously injured when her house was destroyed.

## WELL KNOWN CHURCHMAN DIES IN CLEVELAND

Cleveland, O., April 4.—Bishop Matthew Simpson Hughes, of Portland, Oregon, died at a hotel here today of pneumonia, from which he had been ill Friday. He had been on a lecture tour since October, spending last week addressing meetings here.

## CRACK SAFE SECURE \$4,000

(By Associated Press)

Cincinnati, O., April 5.—Within a block of Covington, Ky., police headquarters today, cracksmen opened the safe in the office of the South Covington and Cincinnati Street Railway Co. and escaped with \$4,000.

## IS MENTIONED FOR GERMAN CHANCELLOR

Karl Legien.

Karl Legien, secretary of the general trades union commission, is mentioned in dispatches from Berlin as the possible successor of Gustav Bauer as chancellor in the cabinet which will be organized in compliance with the wishes of the labor unions.

## VOTERS MAKING CHOICE TODAY IN MICHIGAN

(By Associated Press)

Detroit, Mich., April 5.—Voters today were registering their preference for presidential nominations with thirteen candidates—seven republicans, five democrats and one socialist seeking endorsement. An exceptionally heavy vote was forecast today, notwithstanding the fact that the state was covered with snow and highways drifted with it.

## BANK CHIEF TAKES BLAME

(By Associated Press)

Youngstown, O., April 5.—Bruce Campbell, secretary and treasurer of the Struthers Savings and Banking Company, which was closed Saturday by the state bank examiner, has assumed full responsibility of the excessive loans in order to make good his mistake, and has turned over his personal property, amounting to about \$225,000. The bank will resume operations soon.

## PLAN INCREASE OF PRODUCTION

(By Associated Press)

### EASTER SUNDAY SERVICES IN CITY CHURCHES

Easter dawned in a mist of clouds—the Easter promenade was doomed from the beginning and the weather tried itself in disagreeableness, contributing both a thunder storm and hail to the general gloom. But the churches presented a welcome contrast in their bright beauty and wealth of Easter decoration—Flowers bloomed radiantly and choirs sang glad anthems, while the ministers generally preached an Easter sermon which brought to the people the cheer and the hope of the Resurrection day.

Easter is the Sunday for joy and happiness and people look forward to it as to no other festival. The churches were filled to overflowing and both churches and Sunday services poured forth tribute.

**First Presbyterian Church**  
The evening song service at the First Presbyterian Church delighted a large audience and was one of the best the choir has ever given. The anthems were particularly melodious and a very large choir sang with a bonyancy and spontaneity that was charged with the Easter spirit. The balance of parts was fine and the solo parts admirably taken by Miss Woodward, Miss Kibler, Messrs. Kibler, Moorehead and McLain.

The anthems made heavy demands upon the singers and the splendid way in which they met the requirements called for enthusiastic appreciation both for the singers and their most efficient director, Miss Ada Woodward. Mrs. B. F. Davis, organist, demonstrated anew her ability in beautiful organ solos and artistic accompaniments.

Mrs. Arthur Burgett whose sweet and sympathetic contralto always pleases, added to the program the solo "The Voice in the Wilderness" Scott. Rev. Gage made a happy little Easter talk and Y. M. C. A. Secretary Frazer announced the plans for Friday, Interchurch movement day.

The Sunday morning service was in line with the other services in its Easter music, which included a duet by Miss Woodward and Mr. Kibler—"A Vision of Angels"—Adams. Rev. Gage's sermon was in the nature of a memorial service to those members of the church who had entered into the eternal realms the past year.

Just before the church service the Sunday School presented a beautiful little Easter program the happy faces of the tots rising above the Easter flowers which filled the Chancel like lovely little human flowers.

The program was in charge of Supt. F. D. Woodard and the committee Mrs. George Clark, Chairman, Misses Emma Jackson, Emily Palmer, Gladys Butcher and Phyllis Davis. Miss Clara Zimmerman, Messrs. Elmer and Raymond Zimmerman did the effective decorating.

**Grace M. E. Church.**  
The beautiful services of Grace Church were ushered in by a sunrise service at 6:30 a. m. attended by 150 people.

Both auditorium and balcony were filled in the morning when the baptismal services were held, and the ordinance administered by Rev. Alexander to 28 children. Twelve were received into the membership of the church.

The Sunday School service was featured by a special Easter collection of \$140.

**Evening Song Service**  
In the evening the choir gave a very beautiful cantata, "The Crucified" George B. Nevin.

As also at the morning service, there was a large choir and splendid volume. The musical quality of the Cantata was effectively brought out under the finished direction of Miss Edith Gardner, choir leader, and Miss Minnie Light doing her always excellent work at the organ in both solos and accompaniments.

**STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.**  
of the Washington Herald, published daily, at Washington C. H., Ohio, for 6 months ending March 31, 1920.  
State of Ohio, County of Fayette, ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Earl McCoy, who having been duly sworn according to law, deposes and says that he is the Business Manager of The Washington Herald, and that the following is to the best of his knowledge and belief a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 413, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor and business managers are:  
Publisher, The Herald Publishing Company, Washington C. H., Ohio  
Editor, Joseph H. Harper, Washington C. H., Ohio  
Managing Editor, Joseph H. Harper, Washington C. H., Ohio  
Business Manager, Earl McCoy, Washington C. H., Ohio  
2. That the owners are: Joseph H. Harper, Earl McCoy, B. E. Kelley, J. C. Dunn, C. P. Ballard, B. H. Millikan Est.; Florence Ustick, George Inskip Est.; J. M. Boyd, Samuel Rodgers, J. F. Henkle, Treas., etc., L. M. Williams and L. K. Williams, all of Washington C. H., Ohio; Elizabeth Davis, New York City.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 6 months preceding the date shown above, is 2982. (This information is required from daily publications only.)  
EARL MCCOY, Business Manager.  
Sworn to and subscribed before me this 5th day of April, 1920.  
EDGAR SNYDER.

(SEAL)  
(My commission expires August, 1922).

Notary Public.

The Soloists were Miss Jessie Sunkle, Mr. Maynard Craig and Mr. C. S. Haver. Their voices were heard to the best advantage and were particularly well suited to the members.

Mr. James Kneisley was a generous contributor to the choruses with his violin, and also played exquisitely Chopin's—Nocturne as a solo.

#### St. Andrews Mission.

At St. Andrews the full vested choir in processional added impressiveness to a service of much bright beauty. There Easter hymns and chants and the Easter sermon by Rev. R. L. Baird, rector, were in perfect harmony with the day. Miss Mary Hanna Bliss was choir leader and Mrs. George H. Hitchcock organist.

The Rector announced an Easter offering from non-resident members. Beautiful flowers in memory of Marie Tharp recalled the beloved young organist.

#### First Baptist

While the Easter message was delivered by Rev. Ferguson both morning and evening and the music specially in accord with the Easter tide, the real Easter Service at the First Baptist Church was presented by the Sunday School at the regular morning hour.

The Primary Department gave the first part, the tiny tots very cunning, and second part consisted of a very pretty and instructive missionary play "The Vision of the Gardens".

A large map of the United States showed the location of Home Missions including Latin America, Indians, Negroes and places settled by immigrants from Europe and the Orient.

Representatives of the Sunday School told of the Mission work accomplished in each section as the young children placed flowers upon the site on the map.

It was most interesting to the large audience and well managed by Miss Margaret Dewees, Chairman; Miss Gladys Melson and Miss Lina Willis.

#### Church of Christ

The Church of Christ held a combined service of Bible School and morning worship, with Mr. Jas. Minshall the S. S. Supt. and a special program in charge of young ladies.

The communion service preceded Rev. Grove's Easter sermon.

The Easter song service was very good, with Mr. Clifford Irvin an excellent choir leader and Mrs. W. E. Robinson, thoroughly competent at the piano.

The anthems were sung with fine spirit, the solos well taken by Miss Mary Minshall, Mr. Irvin, Miss Verma Williams and Mrs. Orlan Toops.

#### McNair Memorial.

The Senior and Junior choir of the McNair Memorial Church presented a story cantata that was new and very taking.

Mrs. Bessie Sanders read the story, which was attractively illustrated in songs, exceedingly well sung. Miss Edith Barnes was at the piano and the committee in charge was composed of Mrs. C. F. Bonham, Mrs. M. O. Ireland and Miss Lillian Barnes.

A collection for Foreign Missions of \$24.25 was taken.

The church was well filled in the morning for the combined service of Bible School and Preaching in charge of the pastor, Rev. Rejy and Mr. Sherman Reeder.

#### Wesley Chapel

A very pleasing program in charge of Miss Mary Edge, was given at Wesley Chapel Sunday afternoon.

The Primary department showed excellent training in chorus and recitations. Eighteen young girls of the Intermediate Department gave a beautiful flowerbasket drill and sang a flower song. Misses Emma Davis and Lena Householder sang the duet in the chorus and the program was prefaced by Victrola numbers. Mrs. Wheeler Bay Superintendent presided.

MRS. LUCILE HIXSON  
Well-Known Kansas City, Mo.,  
Woman.

"I weighed only seventy-nine pounds when I began taking Tanlac, but now I weigh one hundred and fifteen and am feeling better than I have in seven years," was the unusual statement made by Mrs. Lucile Hixson, living at 2032 Broadway, Kansas City, Mo., a few days ago.

"Before I began taking Tanlac," continued Mrs. Hixson, "I had become so weak from seven years of suffering that at times I wasn't able to stand on my feet. What I ate nearly always disagreed with me and made gas form so bad that I could hardly get my breath. I was badly constipated and had a pain across the small of my back and my nerves were upset. I was troubled with dull headaches just about all the time and often I had fainting, dizzy spells and I was never able to walk any distance before I felt exhausted."

"My uncle recommended Tanlac to me and now since it has entirely overcome my troubles I will never get through praising it. I am not troubled with indigestion or gas at all and I am eating anything and everything I want and digesting it perfectly. Headaches and dizzy spells have all left me and my constipated condition has been relieved. My nerves are in fine condition and the pain across the small of my back has disappeared altogether. I have gained thirty-six pounds in weight, can do my house work by myself and I am stronger than I have been in years. Tanlac has certainly been the greatest blessing of my life and I will never be able to praise it enough for what it has done for me."

Tanlac is sold in Washington C. H. by C. S. Haver and in Jeffersonville by J. E. Davis.

DEATH COMES  
SUDDENLY TO  
MR. SAM KATZ

Widely Known Merchant of This City Passes Away at Home.

Had Been in Ill Health For Some Time, But Death Shocks Community.

Shortly afternoon Monday, Sam Katz, 43 widely known business man of this city where for years he has been identified in the commercial life as a member of the clothing firm of Leo Katz and Company, died suddenly at his home on Market street. His death was a direct shock to friends and business associates who did not know his condition was serious, although he had been failing rapidly the past four weeks. Mr. Katz was in active charge of the Katz store until Saturday evening and worked all day Saturday.

Death was due to heart trouble, from which he had suffered since childhood.

Mr. Katz was one of the most active young business men of the city. For the past several years he has been associated with the local branch of the firm. For a time, before making his home here he was in charge of one of the chain of Katz stores at Circleville and Piqua. His early life was spent here.

Fraternal associations of Mr. Katz were the Eagles Lodge of Piqua; the Moose Order, of Piqua; and the Odd Fellows lodge of this city.

Besides his wife, the mother, Mrs. Henry Katz, of Cincinnati, and three brothers and four sisters survive. Leo, of Columbus; Sidney, of Chillicothe; Milton, of Xenia; Mrs. Mike Cohn, of Buffalo, N. Y.; Mrs. Elmer Wallenstein, of Cincinnati; Mrs. Lawrence Bloom, of Cincinnati; and Mrs. Worthheimer, of Cincinnati.

Funeral arrangements have not been announced.

Don't Gamble with the  
Lives of Your Hogs

Give them more than "a fighting chance" to live.

Don't think you are doing that just because you "vaccinate" them against hog cholera.

There are two great considerations: One is, who does the inoculating, and the other, what serum does he use?

One real reason why you need expert assistance at the time of inoculation is because of the prevalence of other diseases. You would be endangering your herd instead of protecting it, if you inoculated at the wrong time.

And you might complicate things badly if you permitted the use of serum that was not fully protected against contamination in every possible way.

That is why you should send for a licensed, graduate veterinarian and have him treat your hogs with

EXCELS

Solid wood dolly rests on the clothes. Does not float. Easily lifted or released, without raising the lid or stopping machine. No metal post projecting thru dolly to catch, soil and tear clothes.

The Laundry Queen Electric Washer will serve a life time if properly taken care of; will meet any washing demand, is easy and pleasant of operation and does its work well.

Here are some high points of the Laundry Queen:

It has a round copper tub.

No part of machinery attached to the tub. Hinges allow tipping of the tub for draining.

Broad shields over both the large wheel and the belt transmission on the main power drive.

A safety device instantly releases all compression on wringer rolls. Permits removing any obstacle without wringing thru or back.

It has special rollers. Highest quality of material and workmanship. Guaranteed for five years.

Attaches to any electric light socket. Ten feet of extra heavy insulated cord supplied with each machine.

The bench is made of high-grade angle iron.

To use the dolly either in washing or rinsing, only one movement is required—swinging the top over the proper tub—and the dolly swings with it.

Cover easily raised. Bolted with heavy iron hinges.

Easy rolling ball bearing casters on all machines. No lifting, straining or tugging required to move from one place to another.

A turn of the thumb screw tightens or loosens the belt.

A specially designed motor—more than ample power. Motor is entirely enclosed—water and dust-proof.

Drain board on both sides of wringer. No slopping or dripping water.

## Road Building

The State Highway Department is experiencing some considerable difficulty, according to reports, in obtaining bids for construction work which are within the estimates of the engineers.

Road construction—material, machinery and labor—has increased in cost tremendously. In fact the cost seems to be increasing so rapidly that the estimates of the engineers, made but a few weeks before bids are asked for and based on cost at that time, fall far below the actual bids.

The cost of improved roads, as they are defined in the latest styles of the Highway Department, ranges now from twenty-five thousand dollars to forty thousand dollars per mile and the material and the labor necessary for construction is difficult to obtain, even at these exorbitant figures, and the constant interruption in the work, where it is undertaken, caused by delayed shipments, poor material and labor troubles, generally deprives the public of the use of the highways much longer than even the most pessimistic prophesy.

Then, too, the financial distress of the state, county and municipal governments presents another barrier to a forward program of construction which is difficult to surmount.

All in all, it begins to look as though the people would be just as well, if not better, off if the program of road construction was held up for a time at least.

We are earnest in the advocacy of good road building as anyone in the state of Ohio, but it seems we have gone to extremes in expenditures. We are spending too much for construction. The millions of dollars which the state, the counties and townships obtain with such great difficulty are being expended too extravagantly.

The program is too pretentious. It is too costly and requires too long a time to execute. The present generation will be a memory before any considerable part of our thousands of miles of roadways are made over according to our present ideas and by that time those already built will be worn out.

We fear that too much attention has been given to the more elaborate and more costly plans and too little to the more modest suggestions. In road construction, as in everything else now days, it seems that the chief recommendation for any plan—the feature that will secure it favorable consideration and adoption is its cost and the difficulty of getting the work done.

If the public officials would see how little could be expended and how soon the work could be done instead of seeing how much could be expended and how long a time could be consumed in construction we would go much farther, at a very small percentage of present costs, and in a fraction of the present time consumed in good roads work.

If the State Highway Department would at once, about face, take less seriously the extensive propaganda of material men and contractors, look about and investigate a program of sensible repair of what we have, establish and maintain a patrol system to keep up roads instead of letting what we have go absolutely to pieces, we cannot help believing that a marked relief would be experienced and a tremendous saving secured, and while we might not have so many "pieces" of elaborate speedways scattered widely over the state, we would have vastly more miles of connecting "good roads," less confusion and more money in the treasury.

If the present amended laws of Ohio have not made economy impossible and the exercise of common sense by local officials a lost art, it would be helpful, most folks believe, to get out the drags and rollers and go to work improving what we have, until conditions quiet down, a little at least.

## Our American Ideals

General Leonard Wood, speaking at Columbus Saturday evening, emphasized the necessity of holding steady, in this crisis of the world's affairs, to the American ideals.

There is no denial possible, by patriotic Americans, of that statement and coming from a soldier whose whole training and vocation has been along practical lines gives it added weight.

And yet frequently politicians criticize the idealists and bitterly denounce those who hold fast those same glorious ideals of America as the governing code of their official life and insist upon their applying them to business affairs and to our relations with our neighbors.

Strange contradictory positions are assumed and yet we all know—every one of us—that our own safety and the safety of the world is in the preservation of those ideals of which General Wood spoke. It is not necessary to resort in any involved processes of reasoning to reach that conclusion. Our consciences tell us that just as certainly and as promptly as it tells us right from wrong.

We must be less selfish in our business and give more thought to the welfare of our fellowmen. That's an American ideal which is, we fear, growing a little dim.

## POETRY FOR TODAY

### THE BLUEBIRD

When maples are touched with rosy fire,  
The bluebird thrills with a fond desire  
For the bliss of Spring,  
And on eager wing,  
A gleam of orange, a sheen of blue,  
He skims and flashes the azure through  
Sometimes when snow flakes fall  
And dark elms frown where chill and brown  
Rises the out line of the hill;  
When the wind salutes the wand'ring cloud  
With insistent whistle keenly loud,  
There comes a pause, the sun half-glances,  
Crows discourse, the robin advances,  
And sparrows chirp with right good will.

Then the bluebird wakes my expectant heart,  
His liquid carol the fineness of art.  
Just for an instant and he has fled!  
Over the orchard my feet are led;  
I mount the upland, wend the plain,  
Only to hear that song again.  
—Fanny Rannels Poole.

## PLANT GROWTH DUE TO LIGHT

Washington, April 2.—Government agriculture experts have learned that plant life appears to depend upon light rather than upon temperature, for nourishment, and may be controlled by regulating the hours of light and darkness.

The principal is revolutionary, but it has been demonstrated that plants subjected to alternate periods of light and darkness in carefully determined proportions could be brought to maturity at any season.

"Greenhouse announcements," says an announcement made today by the Department of Agriculture, "prove that the flowering and fruiting period of practically any plant can be made to take place at an time of year by darkening the greenhouse in the morning and evening if the day is too long or by lengthening the day by artificial light if the day is too short. Spring flowers and spring crops are spring flowers and spring crops because the days at the season of their flowering and fruiting have the proper number of hours of daylight.

The discovery may be of the highest importance in the future planning of cropping systems. It may be found according to W. W. Garner and H. A. Allard, scientists in the Bureau of Plant Industry, who conducted the experiments, that the animal organism also is capable of responding to the stimulus of certain day lengths.

They believe that the migration of birds may be an illustration, on the ground that direct response to such a stimulus would be more in line with modern biological teachings than theories which assume that birds "go South" as a matter of instinct.

## A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use. 30c and 60c jars; hospital size \$2.50.

## DRECO CHECKED BAD CATARRH FOR SANDUSKY LADY

Nose, throat and stomach kept full of mucous, nose dripped and breathing was difficult.

Relief was prompt and now she feels she has entirely banished all traces from her system.

"I am very grateful for what Dreco has done for me. I had a case of catarrh for my wife," said Mr. A. S. Boyer of Route 1, Sandusky, O. Mr. Boyer is a well-known trimmer at the Mathison Auto Co.

"She has suffered a long time and taken many treatments, but can't say that any had done her much good, and that was the great surprise Dreco gave us, for it showed such quick signs of overcoming the trouble. It wasn't long until the mucous was checked in her nose and throat, and her stomach became easy. The dripping ceased, her breathing became easier, especially while she was asleep. Her nerves became calm and her sleep became restful and refreshing. Dreco has done her a world of good and I strongly recommend it to all who suffer from catarrh."

Dreco is a combination of the juices and extracts of many different herbal plants that act upon the organs in a prompt and pleasant way. It relieves the stomach of its load, neutralizes the acid conditions and prevents the formation of gas; absolutely banishes constipation without the aid of pills or tablets, corrects catarrh, puts the liver in good shape and sweetens the breath; clears off the tongue and removes the bad taste in the mouth; does away with dizziness and heartburn and as a general tonic for a run-down system, especially in the Spring time, nothing can excel this great system renovator.

Dreco is now sold by all good druggists and is being specially introduced in this city by

## GET RID OF "SPRING FEVER"

If you lack energy — if you lack "pep"—the chances are that your bowels are sluggish. ## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10c and 25c.

## REMARKABLE RECOVERY

Extraordinary Curative Power of Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had organic troubles and am going through the Change of Life. I was taken with a man in my side and a bad headache. I could not lie down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it. For it cured me after I had given up all hopes of getting better. You can publish this and I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANZ, 743 N. 25th Street, Phila., Pa.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

# SUPPORT THE Y. W. C. A.

Finance Campaign April 5-8, inclusive. \$4,000 Budget

## RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Much enthusiasm attended the Y. W. C. A. membership committee tea, held Sunday afternoon at 4:30 at the Y. W. C. A. rooms. The committee reported 455 members, with all reports not in and the High School, Christian Church and other places yet to be heard from.

The young women of the committee are much encouraged by the ready response given to membership cards and feel that the prospects for a successful local Y. W. C. A. are most gratifying.

The tea was socially pleasurable and pretty, with crystal baskets of spring flowers on the daintily appointed tea table. Mrs. Carrie B. Willis poured and High School girls served.

Miss Laura Jones, Field Secretary, presided and Miss Townsend and Miss Myrtle McCoy were in charge.

The Finance Campaign to secure a \$4,000 budget starts Tuesday and ends

Thursday night, when a meeting will be held at 7:30 at the Federated Club rooms to elect a board of directors and to effect a permanent organization. At that time the constitution will be read and adopted.

Mr. and Mrs. J. W. Kimball entertained with an Easter dinner—a most delightful family affair including Dr. E. C. Brock and family, of Columbus; Dr. L. L. Brock and family; Mr. Roscoe Baughn and family; Mrs. Albert Mowery and son, of Leesburg, and Mr. Werter Baughn nad family.

Tulips and hyacinths were prettily used in decoration.

Miss Ethel Powell left Monday morning, in company with her piano teacher, Miss Nellie McFadden, of Mt. Vernon, harmony teacher, Miss Pedrick, of Columbus, and others who compose the party for a few weeks stay in New York. During their stay they will enjoy Grand Opera and notable musical attractions and attend the David-Mannes School for observation work in piano and harmony.

One of the events they are most anticipating is the Festival of Music, given by the Oratorio Society, of New York, in the 71st Regiment Army, which will be under the musical direction of Walter Damrosch and has a chorus composed of 1500 picked voices of the best singers from New York and vicinity, with twenty-five artist soloists and the entire New York Symphony Orchestra.

The program, arranged by Mr. Damrosch for the six concerts, is remarkable in variety and interest, ranging from the classic and dramatic Oratorio of Mendelssohn's "Elijah," to the remarkable new American work on Bunyan's "Pilgrim Progress" by Edgar Stullman Kelley, which was the sensation of the Cincinnati Musical Festival last Spring.

The party will hear the Russian pianist, Rachmaninoff, who conducts and plays an entire program of his own work, also featuring in the program, Brahms' Double Concerto for violin and violin cello by Heifetz and Casals.

"Miss Dorothy Fullerton, Washington C. H., was honor guest Friday evening at a studio party given by Mr. Ray Leed Jackson. Others from out of town were Phillip L. Barbour and William H. Van Pelt, New York, who came to attend the Delta Chi formal Thursday evening.—Ohio State Journal.

## FRIENDS AND KNIGHTS UNITE IN TRIBUTE TO ROBERT D. MCCLURE

The funeral services of Mr. Robert D. McClure were conducted by Rev. Wm. Boynton Gage Sunday afternoon at 2:30 at the First Presbyterian Church.

A man who had been held in the highest esteem of the community, relatives, friends and lodge brothers turned out in large number to show him honor.

The Sir Knights of Garfield Commandery No. 28 attended in a body and concluded the services with their impressive ritual for the dead, in charge of the Eminent Commander, Dr. P. M. Cook.

Mrs. Ethel Withgott, of Chillicothe, sang most beautifully "Crossing the

Bar" and Mrs. B. F. Davis was at the organ.

Rev. Gage gave an appreciation of Mr. McClure's life and sterling character, which was also in the nature of a memoir.

Mr. McClure was born at Sinking Springs, in a typically humble American home. In it were two sets of children, but there was no distinction in feeling—they were all brothers and sisters together.

When but a boy of but nine years of age Mr. McClure entered a store and began a successful business career, which showed the type of man and women often produced in such simple surroundings.

It was in the Sinking Springs neighborhood that Mr. McClure met his first wife, who was Miss Hettie Eller.

But a short time after the birth of the only daughter, Margaret McClure Stitt, death summoned the wife and mother.

While the daughter was still small, nearly twenty five years ago, Mr. McClure married his present wife, formerly Gertrude Gower, of Portsmouth, and their united lives have been particularly happy. Mrs. McClure took to her heart the little Margaret as if her own child and the ties between them have been so closely woven that they were mother and daughter in the truest sense. Her devotion to her family was rare and beautiful.

The floral remembrances were wonderfully beautiful and in great number, many from out of town friends. Among the special designs was the Knight Templar emblem of the Cross and Crown.

A long line of autos accompanied the family to the Bloomingburg cemetery for the burial. The pall-bearers were all Sir Knights. Wm. H. Dial, Frank Christopher, Roy T. McClure, E. L. Bush, Scott Hopkins, Lang Conrad.

The relatives who came from a distance were Mrs. Margaret Beckman, Peebles; Mrs. Beatrice McGuire, Mr. and Mrs. John Thomas, Pittsburg; Mrs. George McClure daughter, Mary, Mrs. Jane Smith, Miss Louise Hanna, Mr. Mark Crawford, Portsmouth; Miss Louise Wolford, Mr. and Mrs. Green Baum, Waverly; Mr. and Mrs. Sam Williamson, Mr. and Mrs. Sidney Williamson, Cincinnati; Mr. and Mrs. Copeland, Mrs. Smith, Miss Ruth Eller, Locust Grove; Messrs. O. Eller, Ed. McClure, Tom McClure, Mr. and Mrs. John McClure Sinking Springs; Mr. and Mrs. Orville Rhoads, Mr. and Mrs. Gordon McClure, Mr. and Mrs. Charles Conner, Mr. and Mrs. Oscar Lemmon Hillsboro; Mr. and Mrs. Will Overman, Mr. and Mrs. George Gableman, Messrs. John Telnay, B. S. Balchaz, and Phillip Wickerham, Columbus; Mr. and Mrs. J. B. Withgott of Chillicothe; Mr. and Mrs. J. M. McClure and daughter Eva, of Bloomingburg.

## CATHOLIC CHURCH CELEBRATES EASTER

The Easter festival was beautifully celebrated at St. Colman's, where the altars were ablaze with candles and superbly decorated with cut flowers of the season.

The High Mass, at 7:30, was sung in unison with fine impressiveness, the solos effectively rendered by Mr. Aloysius McDonald and Miss Lizzie Smith. Miss Mary Josephine Cullen, Messrs. Thomas Cullen and James McDonald, Misses Lizzie and Laura Smith sang a pretty duet.

At Communion Mr. Wm. Smith sang beautifully: "Jesus Sweet Jesus."

The Low Mass, held at 9:30, was featured by Easter hymns and Benediction hymns sung by the congregation. Mr. Wm. Smith sang one Benediction hymn and the services were closed with "God is Might."

Rev. Fr. Fogarty conducted both masses and gave excellent Easter sermons.

Mr. Thomas Cullen was choir leader and Miss Margaret Clark organist.

Because two men had shaken hands after a fist fight, a western judge ruled that they had taken the case out of court.

## FUNERAL SERVICES WILLIAM ANDERSON

Funeral services for William Anderson, who died last Wednesday at the home of his son, McKinley Anderson, of this city, were held Sunday morning at ten o'clock in the Christian church at Waterloo.

Elder Walter Yeoman had charge of the services. Mrs. Foster sang "Some Time We'll Understand."

Burial was made in the Waterloo cemetery. Pallbearers were: Messrs. M. R. Scott, Peter Kemp, C. E. McCafferty, John Nelson, Charles Timberlake, Joshua Mason.

## M'LAIN FUNERAL LARGELY ATTENDED

Largely attended by hosts of friends from all Fayette and surrounding counties were the funeral services of William McLain held Sunday afternoon at the McLain home on the Plymouth pike. Doubly sorrowful was the manner in which Mr. McLain met his death Friday evening when he was killed by a runaway team of horses.

Rev. G. E. Groves of the Christian Church of this city had charge of the services and his words were of a comforting nature to the family and friends to whom the tragedy was a terrible shock.

The hymns, "Abide With Me," "Beautiful Isle of Somewhere," and "Asleep in Jesus," were read by the minister.

Burial was made at New Holland, the old home.

## TEACHERS OFFER NEW PLANK FOR G. O. P. PLATFORM

(By Associated Press)  
New York, April 4.—A petition urging adoption of an educational plank in national platform of the Republican party was presented today to Will H. Hays, chairman of the Republican National Committee by Judson S. Wright president of the New York State Teachers Association.

Teachers are "not attempting to dictate," it was said, "but with the likelihood of woman suffrage becoming a law, they feel that the most important service they can give will be to see that their support goes to the party that most definitely pledges itself to remove educational limitations from the children of the country."

## FIRE CONSUMES BIG PAINT FACTORY

(By Associated Press)  
Warren, O., April 4.—Fire early today completely destroyed the plant of the Goheen Paint Company here, entailing a loss estimated at \$250,000. The plant of the Western Reserve Rubber Company was threatened. The Goheen Company removed here from Canton two years ago following destruction of the Canton plant by fire.

## CHICAGO RECORDS FOUR INCH SNOW

(By Associated Press)  
Chicago, April 4.—Northern Illinois and portions of Indiana and Michigan today and tonight were in the grip of an Easter blizzard, accompanied by gale and a heavy fall of snow. The storm struck Chicago territory early this morning, between three and four inches of snow falling during the day. The Chicago weather office represented the storm would follow the St. Lawrence valley to the Atlantic coast.

## REMODEL BARS IN OLD LONDON

London, April 3.—The remodeling of saloons to make them attractive orms part of the scheme evolved as a countermove to the prohibitionists who have sworn to make this country dry. Brewers and licensed victuallers have hired architects to plan large, airy public houses where food as well as a drink can be obtained.

## REICHSWEHR TROOPS ENGAGE RADICALS IN PITCHED BATTLE

(By Associated Press)  
Duisburg, Rhenish Prussia, April 3.—Reichswehr troops marched into the Duisburg region today and cleared out the radical element in pitched battles in the streets.

Machine gun and rifle bullets swept the business district like a driving rain. Artillery threw solid shot and shrapnel and handgrenades were tossed. There was house to house fighting in some quarters. Four citizens were killed and a number injured. A child was killed on the Belgian side of of the Rhine and a Belgian soldier was wounded. The sweeping fire of both sides shattered half the store windows.

## INCREASED VALUES

Are you carrying sufficient insurance to cover the present value of your property? In the past three years the value of real and personal property has nearly doubled.

Have you increased your insurance by an amount that will correspond with the advance in REPLACEMENT VALUE of your property?

Have you considered how much money you might be obliged to contribute in case of loss, because your insurance may not fully protect you under present value conditions?

In nearly all instances of renewal we are obtaining increased lines on all buildings and stocks. Present forms of policies allow you to take insurance without notice to other companies.

It is a good business foresight to discuss the point with Glenn M. Pine, "Insurance," Telephone Automatic 5881.— Advt. 62 t

MEMORIALS ARE  
PRESENTED TO  
THE RELATIVESSolemn Ceremonies Mark  
Formal Presentation of  
French Honor Certi-  
ficates.Ceremonies Held in Flag-  
draped Memorial Hall  
Easter Sunday Afternoon.

Solemn services of a most appropriate nature marked the presentation Sunday afternoon of French Memorial Certificates to the families of those Fayette county men who died in the service. Memorial Hall had been fittingly decorated for the occasion and masses of American flags draped around the platform where the white scrolls sent by an appreciative government as recognition of

the sacrifices made, were heaped on the speakers stand.

Assembled with nearest relatives of the dead heroes were members of the G. A. R., the Paul H. Hughey Post and others who felt a kindred interest in the presentation of the memorial certificates. Seated on the platform were: Mayor Rell G. Allen, Commander of Paul H. Hughey Post No. 25, American Legion, Hon. C. A. Reid, who delivered the presentation address; Chaplain John Neir, representing the G. A. R. and Rev. Karl B. Alexander, who gave the invocation.

Although Fayette county is entitled to forty-four memorial certificates, owing to confusion in the records of

the war department but twenty-seven certificates were received and five of these should have been sent to other counties. The twenty-two scrolls were presented.

In an address of presentation Hon. C. A. Reid was at his best and in eloquent words of appreciation, every sentence filled with patriotism, he outlined the destinies of two countries France and America, whose interests had seemed entwined since LaFayette, with his followers, came to the rescue of liberty in the revolution.

Splendid tribute was paid to those men whose names were written on the memorial certificates; whether in the Argonne or in the training camps he declared that they had made the supreme sacrifice equally in their country's cause.

Commander Allen read the names of the men and Messrs. Burnett Hyer and Kent Hopkins assisted in distributing the certificates. It was announced that as the remainder of the memorials are received they will be forwarded to the relatives through the American Legion.

Appreciation was heard from every one for the vocal music furnished by a quartet composed of Misses Ada Woodward and Maxine Kibler, Messrs. Rankin Paul and R. R. Kibler. Miss Woodward and Miss Kibler were also very pleasing in a duet Mrs. B. F. Davis was a splendid accompanist.

Rendition of Kipling's masterpiece, "Recessional" by the quartet was an exceptional interpretation. Chaplain John Neir of the B. H. Millikan Post G. A. R. pronounced the benediction.

MOST PEOPLE IN  
NEED OF SPRING  
TONIC THIS YEAR

Sickness General And Thousands Are Run Down-Vola-Tonic Ideal Builder.

Nearly everybody needs a strengthening, health-building spring tonic this year.

Influenza came back in January and February and thousands of people who had it are weak and run down as a result. In addition, what appeared to be a general wave of sickness passed over the country the last of February and the first part of March. Complaints were common during that period. Bad colds, la grippe, colds and other forms of weakening sickness were reported everywhere.

As a result of these things thousands of men and women are weak and run down and it is believed that the need of a strengthening, health-building spring tonic is more general this year than ever before in history.

Vola-Tonic, Builder of Strength, is already being taken by many people as a spring tonic and is what thousands of other men and women need.

Vola-Tonic invigorates the entire system and is a wonderful strength-builder. Vola-Tonic starts its work by bringing a normal, healthy appetite and putting the digestive organs and bowels in good condition. It helps the stomach take strengthening nutrition from food to enrich and build up the blood and to nourish the organs and tissues of the body. Vola-Tonic also soothes the nerves and permits sound, energy restoring sleep every night. As a result, full normal strength and health soon come to the weakened, run down man or woman.

People who are weak and run down from influenza, lagrippe, colds or other sickness should take Vola-Tonic this spring so that they will be strong and well and ready to enjoy summer when it comes.

Vola-Tonic, "Builder of Strength," is being specially introduced in Washington C. H., at Frank Christopher's and in Jeffersonville at J. B. Davis'.—Advt.

The following is quoted from Ridpath's History of the United States, vol. 14, p. 5738, published in 1906:

"General John R. Brooke was placed in command of Cuba as Governor General. On December 20th, 1899, he was succeeded by General Leonard Wood. On January 12th, 1900, General Wood issued an order to define the relations between the military and civil jurisdiction, in which the military, which had been practically supreme until that time, were forbidden to interfere in the conduct of civil affairs except in matters of sanitation."

That's what you find in the policy behind the Cooper Storage Battery. In the very beginning the engineers determined to make every feature a strong one—not having one strong feature overshadow others.

The result is a battery STRONGEST AT ALL POINTS, from the outside case to the very innermost parts. The simplest way to express it is: "THEY'VE GOT THE STUFF IN THEM."

And if they did not have the stuff the makers could not put on them the longest guarantee. Ask us how long that guarantee is.

## STORM CLOUDS CAUSE ANXIETY

Sunday afternoon during the series of electrical, wind and hail storms which swept over the county, a cloud which passed from east to west, a cloud which passed from east to west, a few miles south of this city, gave every indication of cyclonic tendencies, but a small funnel which developed when the cloud was some four miles south-east of this city, did not reach the earth. The formation was noted by a number of citizens who were much alarmed until the cloud swept on to the eastward without causing damage.

Hailstones as large as small marbles fell in some parts of the County

## PLANNING BRANCH IN SPRINGFIELD

A branch milk and ice cream plant to be located in Springfield, Ohio, is being planned by directors of the Sunlight Creameries, who visited Springfield Saturday and viewed prospective sites for erection of a branch plant in that city.

In addition to a milk and ice cream plant which is being planned the firm expects to place a distributing branch for the sale of butter and oleomargarine from the main plant in this city.

The extent of the new branch has not been announced but plans are being made for a branch adequate to handle the large amount of business for a considerable distance around Springfield.
